*Here you will find what shortwave
broadcasters have been heard over the
previous month or so*

September 2009 Edition

All loggings are assumed to be in English unless otherwise stated.

It's certainly nice to see Harold Sellers grace this column once again. Hopefully reception conditions will be much better on the left coast for him than what he had in his old condo in Newmarket.

We have a better column this month than I thought we would. Hopefully, more of you will share your listening experiences in the future.

0000 - 0059

6055 SPAIN REE at 0000 with IS noted before the hour then time pips, fanfare, and woman with ID and frequency and into "This, That, and the Other" (Very Good Aug 16 MAC)
